## DESCRIPTION:

The new phase of Oasis 325 has 88 exclusive homes specially designed to enjoy style Mediterranean life. The south orientation, the large glazed surface and the large terraces ensure a optimal use of sunlight. Inside, the careful distribution is focused on favoring social life and preserving the privacy of the most intimate rooms of the house.

The open area that contains the kitchen, living room and dining room extends outside in the form of a continuous terrace. Thanks to its large surface and the glass railing, you will have unbeatable views of the natural environment.

The Oasis 325 penthouses are a vantage point over the Estepona landscape. Its terraces, with a solarium, are integrated as one more element of the distribution. The borders between the exterior and the interior are blurred so that you can enjoy the best design with panoramic views.

Relax in your private oasis and experience nature from every corner of your home. The private gardens on the ground floor will make you feel in your own villa while you enjoy all the community services of Oasis 325.

Oasis 325 is the materialization of an architecture at the service of comfort and enjoyment.

A work that is also noticeable in the orientation of the homes and in their interior layout, specially designed to make the most of natural light and promote the use of social areas.

In addition, the gym, the spa and the multipurpose room are also part of the community equipment.

A long list of details that seek to make your life easier, so that you can enjoy the privileged climate from Estepona and the breeze of the Mediterranean Sea. Oasis 325 offers its owners an exclusive and complete SPA where they can relax and immerse themselves in the water to enjoy a large jacuzzi and disconnect in an environment studied in detail for a total experience. Its direct access from the garden area encourages relaxation and the delight of fantastic facilities that are complemented by an area for changing rooms and toilets.
