Enjoy its more than 5,000 m2 of green spaces made up of Mediterranean gardens with pergolas and orchards, swimming pools and terraces. A natural oasis surrounded by forests, fruit trees and flowers. Connect your essence with nature. These 13 exceptional villas, designed with the best qualities, are in charge of the prestigious González & Jacobson architecture studio, which make each unit an authentic work of art with materials that do not hide their essence, provide warmth and serve the architecture.

In addition, the Be Lagom gardens reflect Laura Pou's passion for landscaping, always in search of beauty, innovation and environmental responsibility.
