DESCRIPTION:

The Tiara project owes its name to the way the properties lie harmoniously on the hills of Benahavis, looking over the Mediterranean Sea, in the same way as a spectacular balcony looks onto the sea, offering impressive views of the entire coastline and Marbella Bay, all the way to the Rock of Gibraltar with Africa in the background.

This fabulous apartment complex offers its residents an ideal life. Daily life at Tiara is characterised by the wellbeing and comfort that a careful design with attention to the smallest details provides, a privileged location above the golf valley, an outstanding place on the Costa del Sol only 10 minutes from Marbella and from the cosmopolitan Puerto Banus Marina.

Tiara, as the name suggests, is located at the highest point of the hill, allowing property owners to enjoy impressive panoramic views of the entire coast, the golf valley, the La Concha mountains and the Mediterranean Sea.

This exceptional location will daily provide you with the chance of witnessing one of the most beautiful displays of nature: The contemplation of the first sunrays arising from the horizon, a privilege that will be at your reach without having to leave your own home.

Tiara is situated in the midst of the golf valley, in the Municipality of Benahavis, a splendid location offering all the necessary services for your day to day thanks to its vicinity with Marbella.

Additionally, the picturesque village of Benahavis also offers an endless range of leisure activities, both gastronomic and sports-related. One of the main advantages is its vicinity with a large number of prestigious luxury restaurants, where you will be able to enjoy all kinds of gastronomic styles at the hands of some of the best internationally renowned chefs.
