DESCRIPTION:

In 2014, two well-known listed companies came together to develop their first real estate project at La Cala Resort. Since then, they have continued to build homes of extraordinary quality, in a unique enclave.

Solana Village will be the eighth project built by this joint venture. It is no secret that La Cala Resort is one of the best golf complexes in Andalusia. It has three magnificent 18-hole courses, a 4-star rural hotel that has received numerous awards, a luxury spa, three spectacular restaurants and a wide range of sports facilities including tennis, squash and a gym.

A great opportunity to invest in a property of magnificent quality, in a luxury resort.

Solana Village has one of the most beautiful locations within the La Cala Resort urbanization. Its privileged position offers the homes fantastic panoramic views of the entire complex, capturing in the same image, the golf course, the mountains and some homes, also the sea.

A natural environment with spectacular scenery, just 8 kilometers from the best beaches on the Costa del Sol.

The charming town of La Cala de Mijas and its fantastic beaches are only seven minutes away, right between Fuen-girola and Marbella.

Malaga International Airport is 30 minutes away by car, so you can enjoy your home even during stays of a few days.

Solana Village is a new project of apartments in Mediterranean-style buildings distributed over a large area, which will enjoy a spectacular community area of more than 3,000 m² equipped with the largest swimming pool in the resort with a 600 m² sheet of water, a children's pool, multipurpose covered structure, children's games and large green areas where you can enjoy the sun all year round.

The residential will be developed in the heart of the golf valley, just 500 meters from the Club House, sports facilities and the Hotel Spa, allowing you to choose between a variety of views of the golf course, the sea, the lake, the valley or the pool, according to the layout of each building. In addition, in the near future, it will have a small shopping center next to it.

In addition, Solana Village offers two types of apartment buildings in the same residential complex with different sizes and qualities so that everyone can choose the one that suits them best.

In short, Solana Village is the opportunity to live in the best area of La Cala Resort with the largest private green and leisure areas in the entire Resort.
