DESCRIPTION:

Reserva del Higuerón Privé presents the journey towards a dream: Carat Sky Villas, a great jewel built by the skill and experience of great professionals. Super luxury homes in the best location of our prestigious Reserva del Higuerón urbanization, with transformable interiors to enjoy your stay in a unique space through sliding walls, with the aim of obtaining the greatest possible feeling of spaciousness. And all this without forgetting the spectacular views of the sea, the large terraces and sustainability.

One of the characteristics that CARAT will define are welcoming routes through green areas that will connect the different phases and large common areas.

These common areas will be located on an entire floor of the first block, they will be able to find everything from coworking areas, a Pilates room, a gym area, a sauna, a Turkish bath, a massage room, a heated pool area and a multipurpose room to outdoor terraces with bar and a covered rest and relaxation area next to the main pool with a 110m2 sheet of water. To complete these areas, already on a lower level next to the pool, we have a solarium area that will add pleasant experiences to future owners.
