DESCRIPTION:

UNIQUE in Fuengirola, Swiss style with angular roof and wooden interiors, better to see it. Independent house of 186 m² on a plot of 442 m². Composed of two houses connected by an external staircase. In the upper house, which is a duplex, we find a living-dining room, a full bathroom and a contemporary-style kitchen, a large bedroom upstairs and a dressing room, with lots of light.

In the lower house we have a 100 m² apartment with two bedrooms, a bathroom, a large living-dining room and a large kitchen. Access from the street can be done just like the two houses through independent doors, one of them being the one that gives access to the parking space for 2 vehicles, both units have their defined but communicated outdoor space, storage, barbecue, solarium, lawn, space to make a large pool and many possibilities to expand or create different leisure or work spaces.

Do not hesitate to call to see it.
